Explana-tory Note.

The following two schemes were sanctioned by the Government:-

(i) There ~~xre~~ were serious clashes between the Malabar Special Police and the communists in North Malabar in December 1940 and subsequently. It was reported that the taluk of Chirakkal in North Malabar was most inadequately policed to deal with the situation created by the activities of the communists. Two new police stations were therefore opened at Karivallur and Kankileri and the two outposts at peringom and Irukkur were converted into police stations. These changes involved the appointmnt of a temporary additional staff of 4 Sub Inspectors of Police, 6 Head constable and 78 constables. The estimated recurring extra cost on account of the staff is Rs. 54,300 per annum ultimately and Rs. 47,500 in 1947-48.

(ii) In February 1947, the Inspector-General of Police and the Commissioner of Police made proposals to revise the pay of Police subordinates. The proposals were considered by the Government and orders were issued revising the scales of and uniform allowance of all police subordinates including those in the Armed Reserve, C.I.D., Railway Police, Malabar Special Police and the Madras city Police with effect from the 1st April 1947. This revision involves a recurring extra expenditure of Rs. 31,52,700 per annum ultimately and Rs. 28,90,000 ultimately and Rs. 1,19,740 in 1947-48 under Grant XXXII-Civil Defence on account of war Police.

in 1947-48 under Grant XIV-Police and Rs. 930,000 per annum

As the expenditure on each of the above two items is o on a "new service", a token appropriation of Rs. 100 is included in the supplementary estimate. Action will be taken to provide the balance of the amount required in the current year either by re-appropriation from savings within the grant or by obtaining a supplementary a grant from the Legislature, in March 1948.

Home Department.

Budget - Police - Supplementary statements of expenditure for 1947-1948 - Presentation to the next session of the Legislature.

Please see the U.O. note from the Finance department at pages 1-2 c.f. The following two items have so far been treated as items of "New Service". -

(1) Police-Malabar district-Chirakkal taluk-Opeing of four police stations;

(2) Police - Subordinates - Revision of Scales of pay.

Supplementary statements of expenditure may now be prepared in respect of these two items for presentation to the next session of the Legislature. It however seems early in the financial year to ask the Inspector General of Police whether the expenditure can be met from the existing appropriation. A token sum of Rs. 100 in each case may be included in the supplementary Estimate. If additional appropriation will be necessary in respect of the two items, the additional appropriaton required will be included in the supplementary estimate to be prepared in February 1948.

Two draft supplementary statements in respect of the above two items, one relating to "29.Police" and other relating to "64.B Civil Defence" are submitted for approval. They may be sent to Finance for acceptance.
